Good day

**Re: Grade 12 Umlazi District Career Roadshow**

The Umlazi District in partnership with UKZN aims to advocate for youth development through educating and channelling the youth into appropriate career choices. This Programme focuses on learners who are in Grade 10, 11 and 12. More emphasize is on Grade 12 learners as they are about to make life changing decisions towards their future careers.

This Programme will offer you the platform to address the learners on the different academic programs that will be offered by different institution. We are confident the learners will gain valuable insight and information from our presentation and we look forward to hearing from you.

The circuit managers/SEM will need to organize a centralized venue so that all schools in that area will be able to attend.

Below is the schedule for the Umlazi District Career Roadshow (UDCR).
