CALLA FOR PROPOSALS

PROPOSAL CALL NO. BSU/IT/07/01

Upgrading of Street Trading Facilities at Main Entrances to Phoenix Industrial Park: Feasibility Study & Implementation Plan

The Municipality requires the services of a consultant, or consortium of consultants, to investigate and make recommendations on the design and provision of trading facilities at the entrance points to the industrial park off the MR 93. The emergence and growth of clusters of street trading activities at these entrance approaches have reached a

scale and proportion that presents a problem for industrial investment, the safety of road users, and limits the business growth of traders themselves.

A detailed consultant briefing document should be obtained from the Business Support Unit's offices on the 11th floor 75 Winder Street, Durban, or contact Mr. Nzama by e-mail at NzamaO@durban.gov.za or by telephone on 031 311 4634. A compulsory site inspection will be held at 10:00, on 2008-03-05, outside the Municipal Library on Mandela Road, near MR93. Tenders submitted by tenderers who do not

attend this meeting will not be considered. Proposals in sealed envelopes clearly marked "Call for Proposals No. BSU/IT/07/01: Feasibility Study & Proposal for Trading Facilities at Main Entrances to Phoenix Industrial Park" must be hand delivered or sent by Courier Services to Rennie House, 41 Margaret Mncadi Avenue (formerly Victoria Embankment), and placed in the Tenders Box in the Ground floor foyer by no later than 11:00, on Friday, 14 March 2008.
