### REQUEST FOR INFORMATION

#### SUPPLY AND IMPLEMENTATION OF A FULLY INTEGRATED E-PROCUREMENT INFORMATION SYSTEM

Proposals are invited from suitably qualified companies to provide information on their e-Procurement Information for possible implementation at the eThekwin Municipality.

#### SCOPE / PURPOSE

The eThekwin Municipality is currently using various systems (JDE, QMS, and Ellipse) to fulfill the Procurement function. This is due to the fact that Procurement has been a decentralized function in the past. The Municipality has since then taken a strategic

decision to centralize Procurement under a new Supply Management Strategy. The Municipality now requires information on an available fully integrated, on-line, shared procurement management information system, which will accommodate all of the foreseen Supply Chain Management information needs of the Municipality. This information is for RESEARCH purposes only and will be used to assist the Municipality in developing a high level implementation roadmap for a new e-Procurement Solution.

#### Scope of solution required

The Municipality seeks information on a single, fully inte-

grated, on-line, web enabled software package which will satisfy its business requirements, which include BUT NOT RESTRICTED to the following broad disciplines of Procurement:

- Tender Management
- Purchasing
- Inventory Management
- Asset Management (including disposals)
- Cataloguing
- Contracts Administration
- Supplier Information

The MUNICIPALITY requires that SUPPLIERS presenting their proposed solution to also provide:

- A comprehensive list of system specifications
- Evidence of previous successful Implementation/s

- Implementation Methodology
- Company Profile
