

## CALLS FOR PROPOSALS

### MARKETING OF THE CATO MANOR FLEA MARKET

The eThekweni Municipality, over the past years, developed and adopted a policy on the Informal Economy within the Municipal Area. The development of the Informal Economy requires, amongst other things, that small enterprises be supported to ensure their sustained development

and growth. Part of the support is in ensuring that small businesses are able to access suitable markets for their products and services. In fulfilling this objective, the Cato Manor Area Based Management Programme has developed a local flea market to be used as a platform for the trading of goods and services by local small businesses. The success of the flea market as a trading environment is

dependent on the number of potential buyers that come into contact with local sellers of goods and services. To facilitate this, an effective marketing programme has to be implemented to raise the profile of the flea market and to attract people to it. In this regard, the Cato Manor ABM invites suitable organisations / institutions / consultants to submit proposals for the development and implementation of

a marketing programme for the Cato Manor flea market. Tender documents are obtainable from the following address: Cato Manor ABM Suite 102 Intuthuko Junction 750 Francois Road Cato Manor, Durban. The closing date for this tender is Tuesday, 25 March 2008, at 16h00. Queries can be directed to Mr Nkosinathi Zondi on 031 261 6640.

## TENDER INVITATION

**Residents of Umhlanga Rocks and surrounding areas are hereby notified that the Water Department offices in Umhlanga Rocks will be moving to the Sizakala Customer Centre in the Market Plaza, 151 Wick Street, Verulam. The change will be effected from 17 March 2008. The move is an attempt to consolidate and improve access to municipal services to all people in eThekweni, by the provision of one - stop shops. Any inconvenience during the move is regretted. For information contact: 0801 313 013**
