

NOTICE OF EXHUMATION AND RE-INTERMENT OF GRAVES SITUATED AT ETAFULENI, WHITE CITY, THAMBO PLAZA (PHASE A, B, C AND D) AND AMAOTI

The Etafuleni, White City, Thambo Plaza and Amaoti Housing Projects are priority projects targeting the Lower Income Group. Contractors are in the process of laying sewer and storm-water pipes and have commenced with earthworks in terms of the Project. The existing shacks and houses will be removed due to the construction of new houses on each site. Grave sites have been identified on the building sites. Due to the development requirements and the levels that need to be achieved, the grave sites cannot be avoided during construction.

The human remains have to be exhumed and re-interred. Prorisk Consulting CC represented by Mr V. Chetty has been appointed to manage the entire exhumation and re-interment of human remains from the abovementioned areas. The human remains will be re-interred at Etafuleni Cemetery, Inanda which is owned and managed by EtheKwini Municipality.

The eThekweni Municipality calls upon all families and family members to come forward to assist with the exhumations and re-burial process. Should these families fail to come forward from the date of this advert until 7th August 2015, the Municipality will proceed with the exhumation and re-interment process with the permission from the relevant authorities. Family, relatives and/or persons that have information as to the identity of the persons that were buried at the above-mentioned locations to please contact the following persons:
