UShaka Marine Board Membership

NOMINATION FORM

The eThekweni Municipality runs a Municipal Entity known as uShaka Marine Theme Park, which was developed with an aim of regenerating the Point area. This tourist attraction facility has become a major tourist destination for both the national and international visitors. uShaka Marine World, a product of uShaka Marine Theme Park, is considered to deliver an unmatched holiday and adventure experience to all its visitors. Since its establishment in 2004 the uShaka Marine World has attracted more than 1 million paying visitors per annum.

The vision of uShaka Marine World is to create a world class entertainment and tourism destination for Durban and all of South Africa. Therefore, the strategic objective of the Board of uShaka Marine Theme Park is to ensure that the entity's business objectives as outlined in its business plan and its annual performance plans are realised and that future generations will be able to clearly identify the legacy of uShaka Marine Theme Park.

Due to a growing need to ensure that our current and new mandates are implemented, and to strengthen our governance framework, the following non-executive opportunities within the board have become open for individuals seeking to contribute towards execution of these mandates and overall transformation of uShaka Marine Theme Park as the municipal entity.
