

STUDENT BURSARIES FOR CIVIL ENGINEERING

The Human Settlements & Infrastructure Cluster, Engineering Unit, is offering excellent opportunities to South African citizens interested in a rewarding career, in Architecture, Civil Engineering, Electrical Engineering or Mechanical Engineering, within the Unit.

The successful applicants will be required to enter into a bursary agreement, with the eThekweni Municipality, to attend courses at an approved local university leading to a Bachelor's degree in one of the abovementioned fields.

The benefits of the bursary, which include, accommodation, tuition fees, examination fees, and a book/equipment allowance, are payable throughout the bursary period, (subject to compliance with the agreement).

Preference will be given to applicants who have passed at least their first year of studies at a recognised institution, and applicants must include their full academic record. Priority will be given to applicants who are underrepresented in terms of race, gender and disability.

Applications must reach The Human Resources Administration,
